HOSTED BY COCHLEAR

Come join us for Cochlear Office Hours

We know firsthand that choosing the right hearing implant device is an important decision. Schedule an appointment with your local Cochlear team to learn more about:

- Innovative hearing implant technology that fits your lifestyle – The Cochlear™ Nucleus® and Baha® Systems
- Steps to getting a hearing implant
- Navigating insurance coverage and resources
- Preparing for surgery and activation day
- How to care for your system

You are not alone. We are your resource for any questions related to your hearing journey.
